

Welcome To The 2013 Fluid Forum !

**Scottsdale Plaza Resort
Scottsdale, AZ
February 18-19, 2013, 2011**

The Fluid Fertilizer Mission

To develop and advance innovative fluid fertilizer programs for modern high yielding crop production. The Foundation accomplishes this by providing financial support for research, disseminating information to interested parties and organizing educational programs.

A Few Of The 2013 Fluid Forum Highlights!

**Jean Payne, President
Illinois Fertilizer & Chemical Association**

**Dr. Matt Roberts, Assoc. Professor
Ohio State University**

**Dr. John Felmy, Chief Economist
American Petroleum Institute**
